Stampy's Lovely Adventure

Hello! Long-time followers of mine may recognize this fanfic-as this was my first fanfiction I ever posted! To be honest, it was sorta good, but not greatâ€¦. Anyway, I'm remaking it! Enjoy!

Chapter 1: The Floating Castle In The Sky

It was a lovely day in Stampy's Lovely World! The flowers were blooming, the birds were singing. On days like this, cats like Stampyâ€¦.SHOULD BE EATING CAKE! (Lol Undertale!)

Stampy was just getting ready for his 100,000,000 subscriber special! Lee was preparing cake for everyone,Squiddy was putting up streamers and blowing up balloons-his giant, gaping mouth was good for that, and Stampy was setting up his camera/recording equipment as there was a large crash, shaking the entire lovely world!

"Whoa!" Stampy cried as his entire room shook, knocking down his equipment and nearly him along with them.

"Whaaaaa!" yelled Squid as he fell from the ladder he was using to hang up a sign.

"Oh no!" Lee screamed as he fell flat onto a cake he was preparing, causing the cake to have a bear-face-shaped mark in it and splattering his face with icing.

The three all ran outside and discovered a ginormous castle hovering above Stampy's house. A figure familiar to the three came out on the balcony and shouted down at them.

"Hello foolish cat! It is I, Hit The Target! I shall take over this lovely world with my mutant dog army! Mwahahahahaha!" Hit The Target Shouted Menecingly.

"Hit The Target is going to take over my Lovely World! Oh no!" Stampy cried.

"Don't worry, Stamps!" Squid replied, "it's not like he can do much! He tried to take over your world like 5 times before, and we still always beat him!"

Lee, being a silent type, just nodded his head.

"Well, I guess you are right!" Stampy remarked.

Well, guys, that's chapter 1! I know it wasn't very long, but I wanna split this up into multiple chapters and this story wasn't very long to begin with! Bye guys! Ill see ya later!
